JOURNAL  
OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 20 August 1968

25X1 1. [ ] At his request met with Mr. Donald  
F. O'Donnell, Chief Counsel of the McClellan Subcommittee, and  
25X1 Mr. James Dillon, an investigator on the Subcommittee staff. Mr.  
O'Donnell gave me some of the background on the case of [ ]  
[ ] who was indicted for kidnapping in North Carolina and is  
25X1 wanted on a fugitive warrant for leaving the United States to avoid  
process of law. O'Donnell is interested in any assistance the Agency  
can give regarding current developments in this case, especially the  
25X1 alleged offer by [ ] to provide information if charges against him  
are dropped. I told O'Donnell and Dillon that any information which  
we develop on U. S. nationals in the performance of our functions is  
passed on to the FBI and the Department of Justice, but I offered to  
25X1 look into the matter and be back in touch with them. I have taken this  
up with [ ] in the Office of Security. (See Memorandum for  
the Record for details.)

25X1 2. [ ] Met with Mr. William Miller, on the staff  
of Senator Cooper, in connection with the case involving correspondence  
in China. I gave Miller some of the background on the case including  
the fact that we had maintained contact with Senator Kuchel. I also  
told Miller that it was my understanding that since Senator Kuchel  
will not be returning to the Senate next year this matter is being taken  
up with Senator Cooper. [ ] who has been  
25X1 involved in the case, plans to see Senator Cooper during the week of  
9 September. Miller was not aware of this situation and said it was  
quite possible that [ ] was an acquaintance of Mrs. Cooper  
who is from the San Francisco area. Miller was glad to have some  
background on the situation and said he would be alert to any future  
developments. He said he would be in touch with us if anything comes  
up which would be of interest to us.
